## EXECUTIVE SUMMARY

Our mission is to maintain an open and welcoming atmosphere where employees, guests, business partners and the community at large feel comfortable and respected. The Diversity and Inclusion plan's focus is to connect our business to real opportunities through outreach and partnership.

- We value diversity in the workplace. The best ideas and efforts come not from one individual, but when drawn from many different perspectives and viewpoints. We strive to capitalize on the varied experiences, ideas and knowledge that each employee brings to the business. We reach out to recruit directly from universities and colleges in the region and attend job fairs to find the best talent. We also contact state and local job placement organizations and services. We will target advertising for job vacancies in local residents groups. We function as a team. We are the Best of the Best.
  
- We value diversity in our business partnerships. Our goal is to ensure that there is an equal opportunity for all vendor and contractor partners to participate in our business and share in our success. We have joined the Eastern Minority Supplier Development Council. EMSDC is an organization that assists MBE and WBE owned businesses in the vendor certification process. Our outreach extends to :
  1. Shippensburg area Chamber of Commerce
  2. The Small Business Development Center
  3. The Downtown Organization Investing Together
  4. The Women's Business Enterprise Council
  5. The Shippensburg Area Development Corporation
  6. The Women's Business Enterprise Corporation
  7. Cumberland are Chambers of Commerce

We will meet with these local (LBE) organizations that provide vendor and contractor outreach opportunities. Since January 2008, our organization has conducted 1050 vendor meetings with MBE, WBE and LBE businesses that has led to relationships for many of these companies and great partnerships for the business community.

From 2009-2017, Our Company has awarded significant business to MBE, WBE and LBE construction contractors.

- GW Cumberland OP CO recognizes and values the diversity of our customers. We understand that customers can choose from among many entertainment destinations in Pennsylvania, and we will be honored for them to choose our casino. We pledge that the quality of service and attention they receive while visiting us will serve as proof of our appreciation for their patronage.
  
- We welcome the opportunity to be an active member of the community. The success and well-being of our business directly impacts the success and well-being of our community. We support local and regional charitable organizations in four areas:
  - Community
  - Health
  - Education
  - Senior Organizations

We are proud to work in partnership with civic and charitable organizations and GW Cumberland Operating Company is a generous contributor to various local, national and international organizations.

GW Cumberland OP CO is an advocate for a strong and vital business community. We believe that strong partnerships work!

## **DIVERSITY IN THE WORKPLACE**

The four primary areas of diversity effectiveness are awareness, fairness, inclusion and leverage. The GW Cumberland Op Co seeks to provide leadership in all of these areas of diversity and to encourage and support senior executives as they promote these goals in their areas of responsibility.

We encourage them to examine racial, ethnic, cultural, gender and age issues in both the local community and the workforce; to understand the importance and appreciation for people; examine stereotypes and prejudices and how they impact behavior and how to interact more effectively with people from all walks of life. We will also include an examination of special needs, veterans and all historically under-represented groups.

The Human Resources and Legal departments will provide appropriate support and assistance, but GW Cumberland Op Co looks to all of its senior executives to incorporate diversity into their areas of responsibility within our workforce. Absolute impartiality is required when recruiting, selecting and orienting new hires. The same is expected when considering candidates for pay reviews, further training and promotions.
